Career Objective

Motivated Bachelor of Computer Applications (BCA) student with strong knowledge of **HTML, CSS, JavaScript, Python, Django, PostgreSQL, MySQL, GitHub, React, and modern AI-assisted development tools**. Skilled in building responsive web applications, frontend interfaces, backend development using Django, and practical academic projects. Seeking an entry-level software or web development role to apply technical expertise, problem-solving abilities, and continuous learning mindset.

Technical Skills

Programming Languages: Python, JavaScript
Frontend Development: HTML5, CSS3, JavaScript, React, Responsive Web Design
Backend Development: Django
Database: PostgreSQL, MySQL
Tools & Platforms: Git, GitHub, VS Code, MS Office
AI Tools: GitHub Copilot, ChatGPT, Cursor
Core Strengths: Web Development, Backend Development, UI Design, Problem Solving, Project Development

Projects

CafeHub - Cafe Management Web Application
Python, Django, PostgreSQL, HTML, CSS, JavaScript

- Developed a full-stack cafe management web application using Django and PostgreSQL.
- Implemented customer ordering, menu management, and database-driven functionalities for efficient cafe operations.
- Designed responsive user interfaces and integrated backend logic with PostgreSQL for secure data management.

Home Service Web Application
Python, Django, HTML, CSS, JavaScript

- Developed a service booking platform allowing users to select home services and book workers digitally.
- Implemented frontend design, booking workflow, and backend functionality using Django.

Amazon Clone Website
HTML, CSS, JavaScript

- Created a responsive e-commerce website clone with navigation bar, product layouts, and user-friendly design.
- Demonstrated strong frontend development and responsive layout structuring skills.

Tic Tac Toe Game
HTML, CSS, JavaScript

- Built an interactive browser game featuring turn-based gameplay, winner detection, and responsive UI.

Education

Bachelor of Computer Applications (BCA) — **2023 – 2026**
Shri Maata Degree College — CGPA: 8.0

PUC / 12th Standard — **2023**
S V Nanavate PU College — Percentage: 84%

SSLC / 10th Standard — **2021**
Shri Shaileshwara Vidya Kendra — Percentage: 91.36%

Certifications

- **Deloitte Technology Job Simulation** – Forage — April 2026
  - Completed practical tasks in Coding and Development.
